## £40K MATCH-FUNDING URGENTLY NEEDED TO SUPPORT CHRISTIAN MINISTRY WITH YOUNG PEOPLE

Satellites is Youthscape's summer event for young people, which helps more than 3,000 teenagers to put Jesus at the centre of their lives, all year round. The first two events have already seen hundreds of young people become Christians and deepen their faith in God.

The start-up costs of a national events are significant and need support whilst the event grows.

The Lancaster Foundation have generously agreed up to £40,000 of match funding if others funders will contribute.

We are looking for Trusts who share our vision for young people, and are prepared to help us as we work towards financial sustainability.

We would love to tell you more about Satellites. **Please consider making a grant to meet the match-funding offer of £40,000.** You can find out more or express interest by contacting Martin Saunders at [martin.saunders@youthscape.co.uk](mailto:martin.saunders@youthscape.co.uk).
